

We're off to a new season.

Opening Day April 21st 2024 was 'rolled in' by our guest of honour Susie Colley - the Chair of Torbay Chamber of Commerce.

The day was dry but chilly and the green was in excellent condition. After this traditional ceremony marking the start of our bowling season on grass, the club members then filled the green playing 12 ends before retiring to the clubhouse for tea and cakes.

We now look forward to a season packed with bowling opportunities for all our members.

We have a new home 'Umbrella' competition league, club championship matches, many visiting touring teams, Devon League matches for both the ladies and men, Over 55 men's league matches, mixed triples league matches also some of our members will be playing in County Competitions.

<<<<< Good luck to all for our 2024 season >>>>>
